The New Total Connect Website Has Officially Been Launched!

The HTML5 site features a completely new look and feel across the Total Connect platform—most notably a sleeker, cleaner, more modern interface designed to make the user experience more enjoyable, and engaging. It's accessible on any mobile device—Windows Phone, BlackBerry, iPhone, iPad and Android. That means there's no app to download or update. You can also use your Mac or PC to access the site.

Total Connect has several new features!

- Geofencing Arming Reminders
- Works with Apple TV® and Apple Watch®
- New Apps for iOS and Android
- Next Generation Honeywell Total Connect HD Video Cameras

Total Connect Remote Services

Total Connect gives you the ability to stay connected to your home or business wherever you go through the Total Connect website or app.

Total Connect users are able to arm and disarm their alarm system remotely, manage alarm codes, and view alarm history.

Total Connect also allows you remote access to thermostats, cameras, door locks, and much more!

Call our office to add Total Connect to your alarm.

YOUR CONNECTED HOME

We know life can be hectic, and schedules sometimes unpredictable. The Lyric seamlessly fits in with the way real people live, all of which can be controlled remotely using the Lyric app. The app uses geofencing technology to know when you're home or away, so you can control your Lyric devices from anywhere using your smartphone or tablet, ensuring your home is just how you like it. Always.

The Lyric Family Offers:

▶ Heating Control

▶ Water Leak Detection

▶ Security

▶ Lighting Control
