*Like most trades in our area NuSystems has been exceptionally busy this summer. We would like to thank you for your patience in scheduling service requests. As our busy season winds down and the holidays approach we would like to ask you please call our office to be put on the schedule for any of your service or upgrade needs.*

## Is Your Alarm Protected?

We design our alarm systems to provide years of trouble free protection, however the need for service may arise.

Avoid unexpected charges with a Premiere Service Agreement. A service agreement can be added to your alarm service at anytime.

Prolong the life of your security system with regular alarm check ups and hassle free service calls.

Premiere Service Agreements cover future servicing and repair including:

- Battery Changes
- Regular Testing/Maintenance
- Rodent Damage
- Natural Disasters
- Faulty or Damaged Equipment
- Programming
- Damaged Wires

\*Exclusions May Apply

Call Our Office for More Information!

Autumn is here and the temperatures have already begun to drop, is your home ready for winter? Frozen pipes are the most common cause of property damage during cold weather and can cost thousands of dollars in water damage. A low temperature sensor can help to prevent freezing pipes by notifying you when the temperature drops dangerously low. We also offer flood sensors and thermostats you can control from your smart phone. Contact our Customer Service Department to discuss which option is best for you!

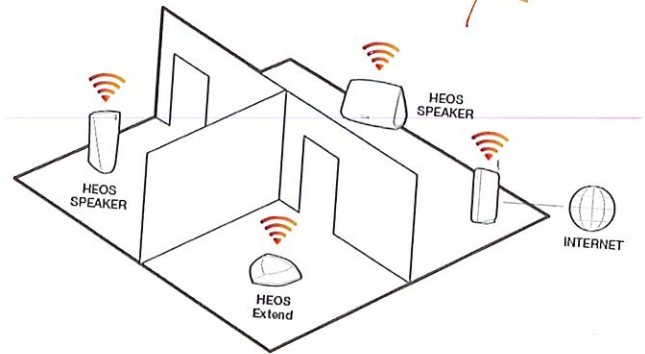

# Living In The Past?

- ♦ Are you using multiple remote controls for your TV, cable, satellite, and music?
- ♦ Don't have a smart TV or 4k compatible devices yet?
- ♦ Are you able to play the music you want from any room?
- ♦ Are you experiencing WiFi network or home connectivity issues?
- ♦ Would you like to control your entertainment, lighting, climate and more all from one device?

If you answered yes to one or more of the questions above then it may be time to consider an upgrade. Let one of our experienced professionals evaluate your current system and provide you options to improve your whole house or business set up.

## Alarm Stickers

Did you know we have stickers with the Monitoring Center's phone number and your account number so you can easily place these on your alarm keypad or phone console? Let us know if you need these.

## False Alarm Fees

Multiple false alarms over a period of time that result in law enforcement going to the premises can result in expensive False Alarm Fees. Contact us if you have questions or concerns about how to prevent false alarms.
